

Version 1.9.24

**VERY IMPORTANT NOTE:**

**Please DO NOT press any OK button or shut the tool off during installation!**

- **At various points, a message box displaying an OK button may appear.**
- **During the download and update process, the tool will reboot up to 2 times.**
- **The update is complete when the tool has fully booted to the Main Menu.**

This release contains improvements in all aspects of the core scan application, requiring us to update most of the software on your tool. This requires the download file size to be approximately 500 MB. Below are typical download times for various Internet speeds for this file size. Please check your Internet download speed to determine approximate time.

500Mb at 10Mbps ~ 7 min

500Mb at 6.0Mbps ~ 10 min

500Mb at 3.0Mbps ~ 20 min

500Mb at 2.0Mbps ~ 30 min

500Mb at 1.5Mbps ~ 45 min

500Mb at 768Kbps ~ 1.5 hrs

Once the download is complete installation time is approximately 15 minutes.
